ABSTRACT

This issue of "Calliope," a world history magazine for young people is devoted to "Great Explorers of the East" and features articles on famous explorers of the eastern hemisphere. The following articles are included: "Ancient Egyptian Mariners"; "Alexander: The Great Reconciler"; "Marco Polo: Describing the World"; "By Water to India"; "Christopher Columbus"; and "In Search of Prester John." The magazine also includes word puzzles, a map, a timeline, and a list of reference books and additional readings, all on the special topic. (DB)
